

ASSUNTO: THE DISCUSSION ON ENERGY

STUDENT B's QUESTIONS (Do not show these to Student A.)

- (1) How much energy do you use every day?
- (2) Do you try to save energy?
- (3) What do you think of the world's hugely increasing energy needs?
- (4) What have you done today that has used your country's energy?
- (5) What do you think low energy houses of the future will be like?

STUDENT A's QUESTIONS (Do not show these to Student B.)

- (1) Does your country need a lot of energy?
- (2) How can you save the amount of energy you use every day?
- (3) What happens if we run out of energy?
- (4) Have you started buying energy-efficient appliances for your house?
- (5) Do you think it's possible to get our future energy from some source we don't yet know of?
